

Policy on Collection of Cheques / Instruments

1. Introduction

Keeping in view the technological progress in payment and settlement systems and the qualitative changes in operational systems and processes that have been undertaken by a number of banks, the Reserve Bank of India had, with effect from 1st November 2004, withdrawn its earlier instructions to commercial banks on (i) Immediate Credit of local/outstation Cheques, (ii) Time Frame for Collection of Local / Outstation Instruments and (iii) Interest Payment for Delayed Collection. The withdrawal of these mandatory guidelines was expected to enable market forces of competition to come into play to improve efficiencies in collection of Cheques and other instruments. This collection policy of the Bank is a reflection of our on-going efforts to provide better service to our customers and set higher standards for performance. The policy is based on principles of transparency and fairness in the treatment of customers. The bank is committed to increase use of technology to provide quick collection services to its customers. This policy document covers the following aspects:

- Collection of Cheques and other instruments payable locally, at centres within India and abroad.
- Our commitment regarding time norms for collection of instruments.
- Policy on payment of interest in cases where the bank fails to meet time norms for realization of proceeds of outstation instruments.
- Policy on dealing with collection instruments lost in transit.
